

OIL AND GAS MEASUREMENT SYMPOSIUM & METERING TRAINING 2026 - 2027

Billions of dollars in hydrocarbons value move through pipelines, often with minimal public visibility. This "quiet" movement involves conventional regulated infrastructure and shadowy, illicit networks designed to evade scrutiny.

FOCUS AREAS & DATES

Natural Gas Custody Transfer & Fiscal Metering

1 - 5 June 2026
15 - 19 March 2027
